Feb	Mrs Gerry Locke services as librarian from Feb 1 1901 to Feb 1 1902	$15 00	
	Balance in the treasury	12 18	$27 18

The Library contains not including miscellaneous pamphlets and periodicals 504 volumes: They relate to the Fine Arts, Biographers, Drama and Poetry, History and Science, Theological and Religious works, Voyages and Travels, also a fine assortment of works of Fiction.

The report of the Librarian shows either a lack of knowledge of the contents of our library or a want of literary taste. Trusting the later is not the case, a catalogue in manuscript was prepared for printing last year, but a lack of funds has delayed the work, and the board earnestly recomends an assessment of ten dollars for the purpose, thus giving to every family in town a knowledge of every book contained in our library.

SCHOOL REPORT

For the Year Ending Agust 1901

This report is abridged, as the school year ends in August and the Fall and winter terms were included in last year's report. Before the beginning of the third or summer term the school books were collected and re-labeled, many of them being found in a bad condition and unfit for use. Three schools of ten weeks each, Parker Hill, Tinkerville and Pond were maintained. The attendance at Parker Hill was irregular on account of scarlet fever:

Whole number of different pupils five years of age and upwards registered at least two weeks during the year, 101; boys, 54; girls, 47; number under 6 years of age, 6; number over 16 years of age, 1; number between 6 and 16, 94; average membership, 70 7 9; average attendance, 56 5-9; number of visits by parents, citizens and others, 126; number of different men teachers employed during the year, 3; number of different women teachers, 6; number of teachers who have attended a teacher's institute, 2. We would recommend a general attendance of the teachers at the county institutes.

Constant attendance of all the pupils is desirable and essential in order to attain thorough and systematic training

We would especially urge parents to visit the schools each term. All may justly feel an interest and indeed a sacred trust in our institutions, so wisely founded by our forefathers, that have to do with the character of citizenship.

Respectfully submitted

SETH W MINER Chairman School Board.
